“On Procrastination” – A daily occurrence that often becomes a lifestyle. Analyze the reasons, realize the consequences, and learn how to "handle" this unwanted behavior in your life forever.

QUESTION: What Do You Address In Your “On Procrastination” Workshop?

ANSWER: Procrastination has become something of a national sport – almost everyone does it at sometime – many have become champions of procrastination. The truth is that procrastination is a serious dysfunction that often stops us from achieving what we say is of the greatest importance to us – procrastination destroys our credibility with colleagues, relatives and friends...

QUESTION: What Will The Program Do For Me?

ANSWER: The program will help you to clearly identify why you procrastinate as well as assist you in discovering how you can overcome procrastination...

QUESTION: Will I Procrastinate After The End Of The Program?

ANSWER: This is going to be your choice – you will no longer be under the affect of unknown subconscious messages; it will become very clear to you when and why you procrastinate – our guess is that you will no longer be able to procrastinate for extended periods of time...

We invite you to join us at www.coachingprofessors.com to discover how we do what we do and how we can help you can transform your life with our online programs. Attending our programs has now become easy, convenient and spectacularly rewarding.
