“Pro-active Listening” – Does the thought ever occur to you that you seem to be doing all the talking? Does it ever feel like you just can't stop yourself? Do you have the ability to listen without talking over other people? Do you truly pay attention to what people say or do you let your mind wonder away? This workshop will teach you how to become an effective listener and an outstanding communicator. The true power is in the listening – talking often gives your power away...

QUESTION: What Do You Mean By Proactive Listening?

ANSWER: The proactive listener is someone who empathically focuses on what the speaker is saying while not interrupting – someone truly interested in what is being communicated.

QUESTION: What Are The Benefits Of Learning Listening Techniques?

ANSWER: Proactive listening is one of the most powerful tools professionals need to succeed in their work environment and a powerful tool everyone needs in order to build empowering relationships.

QUESTION: Is Proactive Listening Easy To Learn?

ANSWER: There are specific techniques one must learn to become an outstanding listener – including stopping the mind chatter, eliminating selective listening, setting aside pre-conceived judgments and stopping the urge to speak and interrupt others... All examples included in our program materials.
